archmodels vol.34

2006

Have you ever lost your race with time doing visualizations? Have you ever been embarrassed of unfinished renders, spending all night on the modeling process, instead of rendering? If you are an architect, and if you need to work fast but with highest precision, this is the thing for you.

Archmodels volume 34 gives you 50 professional, highly detailed objects for architectural visualizations. This time we give you a collection of garden sculptures. Why waste costly time for making something that you can have from the best at Evermotion?
