archmodels vol. 1

2008
prepared only for CINEMA 4D

Have you ever lost your race with time doing visualizations? Have you ever been embarrassed of unfinished renders, spending all night on the modeling process, instead of rendering? If you are an architect, and if you need to work fast but with highest precision, this is the thing for you.

Archmodels volume 1 prepared only for Cinema 4D gives you 60 professional, highly detailed objects for architectural visualizations. This collection gives you huge library of very realistic plants. Why waste costly time for making something that you can have from the best at Evermotion?
