textures4ever vol.1

2005

Have you ever lost your race with time doing visualizations? Have you ever ruined your render, because of bad textures? If you are an architect, and if you need to work fast but with the highest precision, this is the thing for you. If you are an cg artist, and if you want to make your renders

better than ever, you have to get this collection. Textures4ever volume 1 gives you more than 200 professional, highly detailed textures of wood. Why waste costly time for making something that you can have from the best at Evermotion?
